## CLIENTS COMMENDATIONS

As I sit in my family room early this morning, I am overwhelmed with a feeling of gratitude for all that your family meant to us throughout the trip, but most importantly in our time of crisis. From our meals together, both in your home and at your favorite restaurants, to our time in the mall, to the availability of your staff, a car and driver, to the sharing of your lives with us, your actions made our extended time in India absolutely wonderful. Words cannot adequately describe the pride I have in knowing the two of you and being able to now call you friends. -- James P. Watson, Associate Headmaster, Athens Academy

Thank you for extending your warm hospitality to our students and teachers in India this summer. They certainly felt right at home with you, and it enriched their global experience tremendously! I know they really enjoyed being about to be with Veer and Sehr and have many fond memories to share. Your kindness and support of JP Watson and Thananya when they were unable to return with the other students are appreciated by all of us. – J. Robert Chambers, Jr., Headmaster, Athens Academy,

P.O. Box 6548, Athens, GA 30604

On the trip, the cars and hotels were of excellent quality; the driver and guides were also qualified, on time at the locations and looked after the group very well. The visits were well organised and the whole group returned to Switzerland with a head full of souvenirs and life long memories. All this went more than smoothly thanks to all of you. On behalf of the whole group (M. And Mrs Mettler, Mrs van Gessel and Miss O'Rourke), best regards from Geneva, Sincerely, Jane O'Rourke laborantine, Institut Terre-Nature-Paysage

We did not have a lot of time but this tour gave us a good first impression of India. We liked the variation of staying in cities and villages, experience temples and wildlife, dine at top restaurants but in local restaurants as well. And it gave us a good feeling that most of the hotels we stayed do care about the environment. The hotels were beautiful by the way, especially the Tree Of Life Resort! We hope to come back and stay a little longer. Giorgio Savino and Clementine Hoolwerf – The Netherlands

'Since I was a child it was my dream to visit India.This tour is the perfect combination between culture and nature, hotels I could only dream of, experiences I will never forget.. Thank you TSI for making my dream come true!' Wendy van der Knaap – The Netherlands

During a visit to Rajasthan a year ago we fall in love with India! We couldn't wait to come back. The South of India is totally different than the north, but we enjoyed it so much! Highlights of our tour were staying at a Coffee Plantation, meeting the villagers in Kabini, the CitySafari in Cochin and the backwatercruise. We'll be back soon! Arwin and Annette Both – The Netherlands

"Organization was very good, many interesting places and good choice of travel time on a day / time to explore" said Marves De Wilde from The Netherlands.

We wanted a short break from our busy life in Antwerp. India was always on our wishlist. The combination between Mumbai and Goa was perfect for us, because we like Citytrips and we love the beach but not for 9 days. Our compliments for TSI. Our luggage didn't arrive in Goa, but one phonecall to the office and it was taken care off. The suitcases were brought to our resort a few hours later. We hope to come back! Eddy & Jeaninne – Belgium

"The driver is very very well aware of what tourists want to see to make the journey really special" said Mr. Peggy Van Veghel from The Netherlands.

"Peace of mind, knowing everything was perfectly organized by TSI. We felt like the Maharaja and maharani" said Mrs. Laura from Madrid.

"The good planning and having always support when I needed to deal with any small problem" said Mr. Jordi Pla from Madrid.

"Good service / reliable / friendly driver / agents" are the best things Mrs. Ellis Hiensch from The Netherlands said.

## Some of our favourite places to stay

### The Imperial Hotel - New Delhi

The Imperial Hotel is one of Asia's finest hotels. It's a legend that offers a unique experience embracing all facets of India's history. The restored 1930's Victorian-style building is a perfect combination of old-world charm and modern day conveniences.

**Why this is one of our favourite places to stay:**

- We love the colonial style; from the entrance, through the corridors to the rooms.
- Dining facilities are great; The Spice Route for example has been voted to the top ten Restaurants in the world and The Atrium serves a delicious High Tea
- The Luxurious Spa who is only for residence guests is new and unique
- Three acres of gardens in the middle of the city!

**Facilities**

With a choice of 4 different world-class restaurants, 3 bars and 24-hour room service, you do not have to worry about your lunch or dinner. The Spice Route for example has been voted as one of the top 10 restaurants in the world by Condé Nast Traveler. San Gimignano is an Italian Restaurant inspired by the medieval town of the same name in the heart of Tuscany.

### Tree Of Life Resort & Spa - Jaipur

This resort is the perfect getaway! Close to Jaipur, to all the highlights of the Pink City, the cinemas, the Bazaars and the shops. But you start and end your day in a peaceful, quite and relaxing resort. It feels like entering a fairytale.

**Why this is one of our favourite places to stay:**

- This resort's architecture and atmosphere is hard to find anywhere else in the world
- The huge villas are comfortable, colorful, very spacious and so romantic!
- We are jealous about the meditation room with collection of nearly 100 Ganesh statues.
- Artisans from surrounding villages built this resort and many of the staff are locals. They also supports the nearby Kukas School through scholarships.

**Facilities**

Ashtam (meaning nr. 8 in Sanskrit, which comes from the shape of the restaurant) The Restaurant offers meals to your taste, cooked by Executive Chef Santosh Chaudhary. Ekam (meaning Complete in Sanskrit) is a Couples Spa offering traditional Indian Treatments.

## Some of our favourite places to stay

### Amanbagh - Alwar

An oasis in the desert, surrounded by a verdant garden of palm, fruit and eucalyptus trees, Amanbagh is a modern Mughal Palace where the Amanbagh Family makes you feel like royalty. Come and discover it for yourself!

**Why this is one of our favourite places to stay:**

- The gardens are beautiful with eucalyptus trees, hundreds of date palms and many other fruit trees.
- The Amanbagh Family makes you feel very much at home!
- The suites and villas are spacious and have a warm and contemporary style.
- The villages around Amanbagh are very interesting. It is nearly impossible to walk, cycle or drive through the area without being invited to tea.

**Facilities**

The Restaurant is positioned on the ground floor of the main building and provides a regal atmosphere. The Salon Bar is located opposite the Restaurant and offers a cosy place to relax and unwind. The Roof Terrace provides wonderful views over the surrounding landscape and is another option for dining and refreshments. The Library is located on the second level of the main building. The Boutique offers a wonderful selection of the region's silverware, jewellery, textiles and fashion. In the Spa, a team of highly-skilled therapists provide a range of healing therapies as well as facials, massages, scrubs and traditional henna art. The Swimming Pool is at the centre of the resort's gardens and measures 33m by 12m.

### Raas - Jodhpur

This hotel is the perfect combination between new and old! Jodhpur's first boutique hotel has hip bedrooms and can be found just in the middle of Jodhpur's ancient walled city, close to the Clock Tower, and with amazing views at Mehrangarh Fort. Just step outside the hotel to find yourself on a crowded street, full of motorcycle rickshaws, cows and street vendors.

**Why this is one of our favourite places to stay:**

## Some of our favourite places to stay

### Mihirgarh

A gorgeous 9-suite Fort in the Thar Desert with private plunge pools, Royal Picnics and Marwar horse-riding. A Luxury Experience!
